The Committee members meet as and when required and are primarily responsible for monitoring, verifying and ensuring that quality documents are prepared and produced for accrediting agencies.

The Internal Quality Assurance Cell (IQAC) plays a pivotal role in ensuring continuous improvement in the overall performance of the institution. As per the guidelines of the National Assessment and Accreditation Council (NAAC), the IQAC is entrusted with the following roles and responsibilities:

## ROLES, DUTIES, AND RESPONSIBILITIES

1. Act as a catalyst to develop a system for conscious, consistent, and catalytic improvement in the academic and administrative performance of the institution.

2. Encourage and institutionalize best practices for enhancing quality and promoting a culture of excellence.
3. Serve as a driving force for implementing quality initiatives and improving the quality culture across all levels of the institution.
4. Formulate and deploy quality benchmarks and strategies for enhancing academic, research, and administrative performance.
5. Organize workshops, seminars, and training programs to spread awareness about quality.
6. Conduct periodic audits to evaluate academic, research, and administrative processes and Prepare action plans based on audit findings.
7. Develop structured feedback mechanisms from students, faculty, parents, and other stakeholders.
8. Ensure systematic assessment of teaching-learning processes and outcomes.
9. Prepare and submit the Annual Quality Assurance Report (AQAR) to NAAC.
10. Serve as a link between the institution and external accreditation bodies and regularly assess and strategize to maintain accreditation status.
