Principal's Message

It gives me immense pleasure to note that the Department of Management Studies of the Global Academy of Technology is bringing out the Second Volume of the Magazine "JHAOROKHA-A Glimpse".

Learning is a continuous process from the minute we are born until we die.

The Institute provides a platform for every student to develop his learning skills through a magazine. Publishing a magazine is indeed a tedious and herculean task. In recent years, when our students have been concerned more about their academic excellence, they have to be coaxed, persuaded, and encouraged to exhibit their writing talents. The response of the students in contributing articles to the magazines was overwhelming.

As you scan through the pages, it will enlighten you with the important milestones that the department has achieved this semester. The Magazine provides a platform for the budding talents and Faculty to express their thoughts, ideas, hopes, feelings, aspirations, and convictions creatively and come up with their academic and non-academic participating and achievements.

Hence, our persistent efforts must be to leverage the intellectual and emotional capabilities of students and encourage the free and spirited exchange of ideas to celebrate diversity, while ensuring inclusivity. Once again, my message is "Aim always High", as high as the sky to be good citizens and great leaders of our beloved country.

I congratulate the Head of the department, Faculty Coordinator, and students of the magazine committee of the MBA Department for bringing this edition of Magazine-JHAROKHA, Volume-I ISSUE 2, 2022-23

Wish you all the best.

Dr. N Ranapratap Reddy
Principal, Global Academy of Technology
